## **Mental Health Awareness Day**

A huge thank you to all of you who attended our sessions on Friday for raising awareness of mental health and well-being.

This is something we are very passionate about here at Cambois and we aim to treat every child as an individual in order to meet their true potential. We live in a busy society where we do not often sit back, relax and reflect on how we are feeling or how our children are. There is often a stigma about mental health and we want to show children from a young age how to promote a happy and healthy mind.

We want to build on what we did and we welcome any ideas you may have to do so.

## **OPAL—outdoor play and learning**

There is a parents meeting this

Friday at 2.30pm for you to come in and find out what we are doing at playtimes this year. Please come along to meet Ingrid from Opal and find out more details.

Mr Allan—play leader

Mrs Atkinson—play co-ordinator

## **School meals**

Over the last few weeks more and more parents have approached me about having additional or different options for the school meals. We value your views and opinions. Could you please fill in the slip on the opposite side of this letter so we can use your feedback to implement some changes after the half term?

We cannot offer an extensive café style menu due to the size and capacity of the school but we do want to listen to you and your children's views and make some changes. Please return this to school asap.

## **DATES FOR THE DIARY**
